6 UNITED STATES DISTRICT COURT
7 WESTERN DISTRICT OF WASHINGTON
8 AT SEATTLE

9 IN RE: PHENYLPROPANOLAMINE
10 (PPA) PRODUCTS LIABILITY
11 LITIGATION,

MDL NO. 1407

12 This document relates to:

13 ORDER GRANTING DEFENDANT
14 BRISTOL-MYERS SQUIBB
15 COMPANY'S MOTION FOR
16 DISMISSAL WITH PREJUDICE

17 See Appendix A

18 THIS MATTER comes before the court on a motion for dismissal
19 with prejudice pursuant to Case Management Order ("CMO") 13 by
20 Bristol-Myers Squibb Company.¹ Having reviewed the pleadings
21 filed in support of and in opposition to this motion, the court
22 finds and rules as follows:

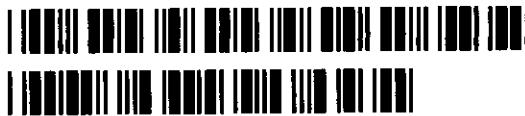

23 I. BACKGROUND

24 On May 2, 2003, the court entered CMO 13 requiring counsel
25 for plaintiffs naming more than one manufacturing defendant in
26 their complaint to file and serve an affirmation setting forth
27 the PPA product or products allegedly ingested by each plaintiff
28 and the defendant or defendants whom the plaintiff claims is the

29
30 ¹ This motion was filed on July 31, 2003.

31 ORDER

32 Page - 1 -

33 01-MD-01407-ORD

1 manufacturer of those products. Under CMOs 13 and 13A, which the
2 court entered on June 21, 2003, a defendant who is not named in
3 the affirmation can move to dismiss the claims against it.

4 Defendant Bristol-Myers Squibb Company now moves to dismiss
5 the plaintiffs in the cases identified in Appendix A of this
6 order for either failing to file affirmations or Plaintiffs Fact
7 Sheets ("PFS"), pursuant to CMO 6, or for failing to identify
8 defendant or defendant's products in the affirmations or PFS that
9 were filed. Various plaintiffs represented by the same counsel
10 filed a collective opposition contending that dismissal is not
11 appropriate.

12

II. DISCUSSION

13 Plaintiffs allege that CMO 15A renders this motion moot and
14 supercedes CMOs 13 and 13A. CMO 15A, along with CMO 15, requires
15 plaintiffs in mass joinder cases to file individually severed
16 complaints. CMO 15A provides a means by which plaintiffs who
17 fail to file such timely severed complaints will be dismissed.
18 Accordingly, nothing in CMO 15 or 15A supercedes CMOs 13 and 13A.
19 Furthermore, plaintiffs' argument that the present motion be
20 denied because it "is possible that Plaintiffs identified Defen-
21 dants' PPA-containing products in the individual new Complaints
22 and not Affirmations," makes no sense given that the newly
23 severed complaints cannot include any new allegations. If
24 plaintiffs failed to identify Bristol-Myers Squibb Company or any
25 Bristol-Myers Squibb Company products in their affirmations,
26

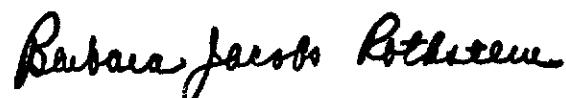

ORDER

Page - 2 -

1 which were based on their original complaints, the newly severed
2 complaints cannot now identify Bristol-Myers Squibb Company or
3 Bristol-Myers Squibb Company products.²

4 Given that the plaintiffs at issue fail to provide any other
5 substantive basis for opposing defendant's motion - for instance,
6 plaintiffs do not assert that they have properly filed affirma-
7 tions or that the affirmations do in fact name defendant or
8 defendant's products - the court finds that dismissal under CMOs
9 13 and 13A is appropriate. As such, defendant's motion to
10 dismiss pursuant to CMOs 13 and 13A is GRANTED. The claims
11 against Bristol-Myers Squibb Company in the cases listed in
12 Appendix A are DISMISSED with prejudice.

13 DATED at Seattle, Washington this 14 day of OCTOBER, 2003.

14 
15

20
21
22

23 ²However, defendant agreed to withdraw plaintiff Molly
24 Matthews from their motion for dismissal on the basis of
25 plaintiffs' argument that Ms. Matthew's newly filed complaint
26 names Bristol-Myers Squibb Company. See Pls' Opp'n, at 4 and
Bristol-Myers Squibb Company's Reply at 2. Accordingly, the claim
of Molly Matthews is omitted from Bristol-Myers Squibb Company's
motion for dismissal with prejudice.
